# LUBDREW hosted the meeting of wood industry

2017-01-18 07:04:43

V edition of LUBDREW Woodworking Fair was held from the 1st to the 3rd of April. As in the year before, the event took place together with LUBDOM Construction Fair. The effect of the cooperation between the construction and wood industry was presenting a complex offer matching the needs of the visitors. Moreover, this cooperation facilitated establishing business contacts.

The key exhibitors were for instance: Adamik Company, Aliplast Extrusion, Dresomet Damian Socha, 'Fenes' cutting tools factory, Houfek, Metal-Technika Rafał Cygan and Polish Styl.

The professionals from the wood industry who visited LUBDREW had an opportunity to see the modern machines and tools for woodwork. They could also gain information about how the machines and tools work and observe them in action.

The fair competitions are inseparable from the fair. In the 'Promotion Form Category' they jury awarded METAL-TECHNIKA Sp. z o.o. Sp. K. company.

During those three days, the fair was visited by 7632 people. 1000 of them were the specialists from the Polish and foreign wood industry. These were for instance the owners and employees of sawmills, wood warehouses, joineries, parquet companies, furniture companies.

We appreciate the contribution of visitors, exhibitors, co-exhibitors, patrons, patrons of honour, media patrons and partners in creating LUBDOM Construction Fair, Housing and Real Estate Fair as well as LUBDREW Woodworking Fair. We kindly invite you to join us for the next edition of the fair.
