

## Licenses and Permits of any complexity in Poland

---

We focus on comprehensive approach and relief of doing business for our clients, therefore we offer you services on complex accompaniment in getting licenses in different branches of any complexity.

### **Our practice of license and permit issuing includes:**

- Giving information about the necessity of having a license.
- Giving information about terms and conditions of getting a license.
- Preparing the full set of documents.
- Representing clients interests in all state administrative institutions.
- Getting required references in state institutions and governing bodies that are necessary in obtaining a license.
- Doing required payments and contributions.
- Consulting services.
- Providing information at every stage of the process.
